

2019 NAWN Guidelines for Beneficiary Consideration

About New Albany Women's Network (NAWN)

New Albany Women's Network was established in 1998 in an effort to bring together women throughout New Albany. The founding members created the network to share information and resources, build friendships, and help create a strong, interconnected community. NAWN provides a way for women who live, work, or have an interest in New Albany to connect and give back to the community. We do this through social and special events, as well as through charitable projects, neighborhood outreach, and major fundraising events for charitable organizations. We also volunteer our time at New Albany community events.

Our Funding Philosophy

We seek to enrich our community through charitable outreach benefiting women and children in the Columbus area. Working in partnership with our school district and community foundation, NAWN funds two annual scholarships and supports a variety of local projects, such as Safety Town, the New Albany Branch of the Columbus Metropolitan Library, the New Albany Special Olympics, a Scholar Author series in the schools, and the New Albany Community Garden. These and other local initiatives are supported through our Endowment Fund which is designated to fund New Albany-based organizations.

Since 2000, NAWN, has raised over 1 million dollars for the beneficiaries of its charitable events. We are proud to have supported 28 local charities and organizations as well as having increased the level of our Endowment Fund, thanks to the hard work of our members and the generosity of our community. Held in November, our Annual Charity Fashion Show is an intimate, daytime event and has raised \$10,000-20,000 each year for its most recent beneficiaries. We strive to match the funds requested by our beneficiary in order to meet their needs. Any additional funds raised will benefit the NAWN Endowment Fund, a charitable savings account providing investment income that may be used to make grants to worthy local causes or other nonprofit organizations that support NAWN's mission of "creating a strong community."

How Beneficiaries Are Selected

A Beneficiary Research Committee, comprised of NAWN members, undertakes the beneficiary application review cycle once each year. The committee reviews the applications, researches the applicant organizations, conducts interviews with identified organizations, and makes recommendations to the NAWN Board. The

recommended beneficiary organizations present to the NAWN Board which then votes to select beneficiaries of the signature events. Distribution of the event funds usually occur approximately two months after the event to allow for collection of all funds and payment of all event expenses.

Application Review Schedule

Deadline for applications	February 1st, 2019
Committee first review of applications	February
Site visits of identified applicants	March
Recommendation to NAWN Board	April or May Board meeting
